Dear Madam,

This letter is to confirm that the result of the **Initial assessment** as conducted on **28 February 2019 – 1 March 2019** as stated in the closing meeting at **Bluechips Microhouse Co., Ltd.** is recommended to certify for **ISO 13485:2016** as the following scope “**Manufacture of Printed Circuit Board Assembly for active medical devices (non-implantable)**”

The package has been sent for full Technical Review process by the Certification Council and the certificate will be issued after approval. You will be in contact if there is any issue arising from Technical Review.

Once again, congratulations and we are looking forward to continuously being your partner of quality system.

Best regards,

(Ms. Pavinee Sittikornkul)
